

## CACP 105<sup>th</sup> Annual Conference Prize Draw Program

Prize Draws add an element of anticipation to the Exhibit Floor and increase delegate traffic to Exhibitors' booths. Based on our success with past shows, CACP is excited to offer once again the **Prize Draw Program!**

Regular announcements will remind delegates to take the time to visit all of our exhibitors for the latest in products and services that support the policing community.

Draws will take place during the afternoon break on Monday, and continue throughout Tuesday, culminating with the Grand Prize draw at the Closing Reception.

**Please indicate below if you plan to be involved this year!**

YES, my company would like to participate!
